

In-Country Rates - March 2023

Rates below apply to calls within a single country as listed below. For calls between countries, please consult CallTower's International Long Distance rate guide.

Identify the correct dial code by the longest match listed. For example, +447975777666 would match +447975 – UK Mobile Orange, rather than +44 UK.

Destination Name	Country Code	NGN Dial Code	Call Type	Rate (USD)
Argentina	54		Landline	\$0.0490
