

CISCO WEBEX POWERED BY CALLTOWER.

Webex by CallTower enables online meetings with a strong feature set, designed for productivity and efficiency. With the ability to share documents, presentations, and applications via integrated audio and video, conducting regular meetings among dispersed staff members becomes simple. Webex by CallTower also creates a **great** space to host meetings and creative sessions with external guests like partners, customers, vendors or experts.

FEATURES AND BENEFITS.

Simplicity from any device

Schedule and start web meetings from your browser, desktop/mobile app, or video device. Exceptional audio, video, and content sharing, including from digital white boards. No downloads or plug-ins. **Just one big green button** to push to easily start your meeting. 

Award-winning, reliable video

Build relationships and trust with lifelike video. Learn more about meeting participants with **People Insights** for Webex by CallTower. Ensure fast and reliable video anywhere you are with the help of our global data centers. 

Meet with intelligence

Your Webex by CallTower mobile app **automatically connects** to your video device when you enter the room so you can join your virtual meetings in a snap. Experience **fewer interruptions** with background noise detection and mute suggestion. Share wirelessly from your desktop app. After the meeting, automatically receive recording transcriptions. 

Industry-leading security

Lock your personal room and keep your discussions **protected end-to-end**. Industry-leading, multi-layer security gives you peace of mind without compromising user experience. 

BRINGING VOICE INTELLIGENCE TO CISCO WEBEX POWERED BY CALLTOWER.

DIGITAL IN-MEETING ASSISTANT

Using voice commands, AI-powered Webex Assistant interacts with you to help with notes, highlights, follow-ups, and more.

KEEP EVERYONE IN THE LOOP

Easily edit and share meeting highlights, transcripts, and recordings. Send follow-ups and action items to everyone or to specific attendees.

MEETING HIGHLIGHTS, ACTION ITEMS

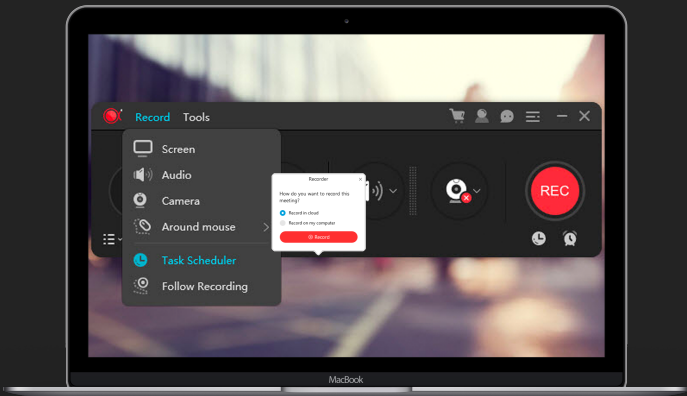

Ask Webex Assistant to take a note or just highlight the point yourself. Trigger words will also autocapture key points.

REAL-TIME TRANSCRIPTION

Never miss a detail in your meeting with real-time meeting transcription and closed captioning. A great benefit for the hearing impaired.

MEETING RECORDING TRANSCRIPTS.

Record your meeting to get post-meeting transcript and presentation content.

Cross-meeting search

Find that exact point in your recordings with key-word search;
Webex saves you time by searching in one recording or across all your recordings.
