

Microsoft Teams

Features & Devices

CallTower delivers an integrated **Office 365 Microsoft Teams experience**

CallTower delivers an integrated Office 365 Microsoft Teams experience with global calling plans. Our customers are empowered by our dedicated client services team, ensuring customized migration designs, hands-on implementation, in-person training and US-based 24/7/365 support.

CallTower has been voice enabling Microsoft solutions for years. As a Microsoft Gold Partner providing cloud voice solutions, our monitoring and management services ensure the highest quality user experience.

The Microsoft Teams Phone System powered by CallTower enables customers to bring their current voice services into the Microsoft Cloud through Direct Routing. Direct Routing ensures the ability to leverage CallTower's preferred rates and unlocks the full potential of a Microsoft Teams Phone System.
