

CT Voice Brochure

Complete Desktop Phone Solutions

For business customers, managing communications and increasing productivity in today's dynamic, distributed, mobile economy is extremely challenging. With CT Voice, network operators can support customers of any size to meet these challenges by quickly and reliably delivering feature-rich, high-quality, and secure business communications solutions.

Commportal for CT Voice

- ✓ View missed calls
- ✓ Listen to voicemail messages
- ✓ Manage your contacts
- ✓ Set up rules to route your calls
- ✓ Configure Voicemail to Email and Voicemail notification
- ✓ Perform many other functions

CT Communicator

CT Communicator is a powerful UC application that enables carriers to extend their business telephony services directly to an end user's laptop, desktop or portable device or handset. These endpoints present the actual calling features, dial plans and outgoing caller ID of the twinned office phone. Accession is ideal for remote workers and mobile workers who are increasingly bringing their own devices (BYOD).
